WEB DEVELOPER AND DESIGNER

With a strong foundation in web development and design, I bring a versatile skill set that covers Full Stack Development, Web Design, PHP Development and WordPress Development. As a Full Stack Developer, I am proficient in both front-end and back-end technologies, including HTML, CSS, JavaScript, React, Angular, PHP, and Python, allowing me to build robust and scalable applications. My web design expertise ensures visually appealing and user-friendly websites, utilizing tools like Adobe Creative Suite, Figma, and Sketch. Specializing in PHP Development, I excel in creating dynamic, data-driven websites and managing databases such as MySQL.

STRENGTHS AND EXPERTISE

PHP and WordPress
Development, performance
optimization

PROFESSIONAL EXPERIENCE

TechnoEdge, Jaipur
Web Development Intern

May 2024 - July 2024

As a Web Development Intern at TechnoEdge in Jaipur, I have been actively involved in a variety of ongoing projects, creating demo sites and contributing to team efforts. My experience includes setting up complete websites for eCommerce, blogging, and hotel booking. Currently, I am part of a three-member team developing a comprehensive travel website for a client, which we plan to deliver by July 20th.

Accomplishments:

- Developed and launched a fully functional eCommerce website.
- Created a dynamic blog website with customized features.
- Set up a hotel booking website with real-time reservation capabilities.
- Collaborated with a team to design and develop a complete travel website.
- Assisted in project planning, execution, and meeting delivery deadlines.

SKILLS

Technical Skills:

- Full Stack Development:** Proficient in front-end (HTML, CSS, JavaScript, React) and back-end (Node.js, PHP, Python) technologies.
- Web Design:** Skilled in creating visually appealing, user-friendly interfaces using Adobe Creative Suite, Figma, and Sketch.
- PHP Development:** Experienced in building dynamic, data-driven websites and managing MySQL databases.
- WordPress Development:** Expert in custom themes and plugins, optimizing sites for performance and security.

Soft Skills:

- **Team Collaboration:** Effectively working in a team of 3 members to deliver high-quality projects.
 - **Project Management:** Experienced in planning, executing, and meeting project deadlines.
 - **Problem-Solving:** Skilled in identifying issues and implementing effective solutions.
 - **Communication:** Strong verbal and written communication skills, ensuring clear and efficient interaction with team members and clients.
-
